

Lesson 15

Locating the Supplemental Price Guide

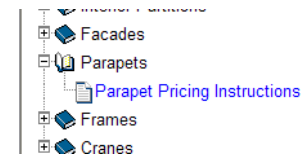

- 1) To locate the Supplemental Price Guide, you need to log on to your Internet provider, Order Entry and on line help
- 2) Then, click on the “Supplemental Price book”.

- 3) Find the section you need and click the + sign to *expand* that topic, - sign to *collapse*.
- 4) Close the web site once you have finished.

Navigating the Supplemental Price Guide

- 1) When you open the SPG and *click the bookmark tab* as described in step 4 above you can navigate the tree in the same fashion as in VPCCommand.
- 2) Find the section you need and click the + sign to *expand* that topic, - sign to *collapse*.
- 3) For this lesson we want to add a **4' Parapet** to the front side of Lesson 12. (120')
- 4) Open **Parapet-Pricing Instructions** of the Supplemental Price Guide section for Parapets.
- 5) Follow the instructions as listed to calculate the Parapet price.

Adding Supplemental Items to VPCCommand

- 1) Open **Lesson 12** with the VPCCommand Building Editor.
- 2) Open the **Pricing** folder.
- 3) Double Click **Additional Pricing**.
- 4) Choose **Regular** from the Category Drop down list.
- 5) Enter **Quantity, Price, Weight and Description** for each item needed. The total price will be calculated for you and will show on the pricing report.

Note: If you ever need to delete an item from the list of Additional Pricing, put in a value of 0 in the Qty. column and OK out of the screen. This will delete the item.

	Category
1	<input type="text"/>
2	Regular
3	Special Purchase
4	Special Insulation
5	Special Purchase - AEP
6	AEP - Freight
7	Widebay Freight
8
9
10

Lesson 15

- Regular is typically used for Book and Net items.
- Special Purchase is for items that are not typically sold by VP Buildings
- Special Insulation that is for non-standard insulation such as Roll Runner, Insul-basket, etc.
- Special Purchase – AEP is used for products that will be bought from AEP Span other than SLR, & FP.
- AEP – Freight is used for freight costs for AEP Span material.
- Widebay Freight is used for freight costs for Widebay.

Lesson 15

Adding Pricing Information

The **Pricing Information** screen allows you to add other items that VPCCommand may not contain pricing for such as Bar Joist, Freight, Warranties, and Seamer Tool Rental.

- 1) Open the **Pricing** folder in the tree.
- 2) Double click **Information** to revise.
- 3) Add money as needed and click OK.

Again these items will be added to your Pricing Report.

Estimated Freight (4 Trucks at 600)	2400		
Warranties	1200		
Seamer Tool Rental	1200		
Commitment	0		
Export Crating	0		
Miscellaneous Fees	0		
Drawings Fees	0		
Total Project	*64236	54025	27.0
