

VP's Order Entry System

(Your friend.....even if you're not ordering something)

The VP Order Entry System is a live web portal that provides a quick and efficient means of transferring VP Command Building Estimates and Building Orders between your office and VP Buildings. In addition, it offers direct access to many other valuable resources offered by VP Buildings.

Order Entry System

- **Transfer VP Command files back and forth to VP Estimating**
- **Transfer Building Orders to VP**
- **Attach Order/Estimate Clarification Forms** (OCF's) as well as any other e-mailable documents such as digital photos, drawings (pdf please), and any MS Office format files

For instructions, log onto the Order Entry System, click on **Help**, then **Online Help**, and go to the **Order Entry How-to's** in the left-hand column...for website or login assistance, just call VP Software Support at 877-874-3579
